## **2014 BUDGET MESSAGE**

### **SEPTEMBER 30, 2013**

**Supervisor Kate Murray**

It was a cold winter day and the scene was heartbreaking. I stood at Baldwin Park a little more than two months removed from the fateful date when Hurricane Sandy ripped across the south shore of our island home, leaving an ugly trail of devastation and destruction.

I'll never forget January 8<sup>th</sup> of 2013. Hundreds of proud neighbors, many of whom were accustomed to donating to those in need, were now themselves standing on line to receive food, water, blankets, heaters and cleaning supplies that were being distributed at the park.

These were proud people, and they weren't looking for a handout...These were my neighbors, and they simply needed a helping hand. During difficult times, like many homeowners have experienced in the wake of Hurricane Sandy, local governments have an obligation to extend a helping hand to ease the burden borne by local taxpayers. Indeed, my 2014 budget proposal reduces town taxes.<sup>1</sup> After all, many of our homeowners are confronting extensive financial and personal hardship, rebuilding their homes and their lives in the wake of the Superstorm.

---

<sup>1</sup> Total taxes levied in 2013 were \$262.2 million; the total proposed 2014 town tax levy amounts to \$261 million.

While several local governments have confronted devastating damage to their parks, marinas, beaches and other facilities as a result of Sandy, I am proud that our township has been able to restore all of its facilities, which are used by the public, and resume all programs and services for those who call America's largest township home. The joy on the faces of senior citizens who returned to refurbished senior centers that were slammed by the storm was a mirror image of jubilant children who celebrated summer at newly restored pools and beaches.

The financial burdens placed on local governments as a result of Mother Nature's wrath have been significant. In the first 30 days after Hurricane Sandy, Hempstead Town expended \$29 million on debris removal and cleanup efforts.<sup>2</sup> Furthermore, the total cost of restoration of town facilities and property are estimated at \$197 million.<sup>3</sup>

Despite the fiscal impact of Sandy, as well as other negative financial determinants beyond the town's control, Hempstead has garnered the highest Wall Street credit ratings available, maintained all of its municipal programs in full force and reduced town taxes for the third consecutive year. No wonder people say, "Hempstead Town is respected on Wall Street and trusted on Main Street."

## **FINANCIAL POLICIES: EARNING THE RESPECT OF WALL STREET**

Simply put, the ratings assigned to governments by Wall Street credit rating agencies stand as a testament to the fiscal health of municipalities and financial planning of governmental managers. The economic downturn has presented governments at all levels with difficult decisions, and many have suffered ratings downgrades. Only those leaders who eschew fiscal gimmicks and other questionable budgetary practices have withstood the withering scrutiny of Wall Street's financial oversight. Indeed, Hempstead Town has distinguished itself where others have fallen short. The following graph illustrates the township's achievement of the highest Wall Street credit

<sup>2</sup> Total amount of claims submitted by Hempstead Town to the Federal Emergency Management Agency (FEMA) for debris removal and cleanup for the period covering October 30, 2012 through November 30, 2012 was \$29 million.

rating available (Aaa) contrasted with the ratings of New York State and New York City, which have been rated two grades below America's largest township.

Equally important to the town's top-notch credit ratings are the comments of respected financial analysts. In affirming the Town of Hempstead's top-notch credit rating, Moody's Investors Service has stated, "The Aaa rating reflects the town's prudent fiscal management characterized by conservative budgeting practices, development of multi-year financial forecasts and formal fund balance policy..."<sup>4</sup> Additionally, Moody's observed a "history of solid financial performance with healthy reserves..."<sup>5</sup> and noted, "Moody's expects the town's low-direct debt burden of 0.3 percent to remain below average..."<sup>6</sup> Further independent acclamation of Hempstead's financial practices has come through our government receiving its ninth consecutive Excellence in Financial Reporting Award from the non-partisan Government Finance Officer Association (GFOA).<sup>7</sup>

## THREE CONSECUTIVE TAX CUTS:

## JUSTIFYING THE TRUST OF NEIGHBORS ON MAIN STREET

Wall Street credit ratings are something my government team takes very seriously. At the same time, I am committed to providing the tax relief that neighbors need during difficult economic times and in the wake of a devastating natural disaster. I've listened to neighbors who are struggling...my administration cares and we've responded in a way that few other local governments have. I am proud that this budget reduces the town's tax levy for 2014. In fact, I've worked hard to cut town taxes for three consecutive years.<sup>8</sup> The following chart details this impressive accomplishment:

When government officials listen to neighbors, respond to concerns and produce budgets that are accountable to taxpayers, they justify the trust of neighbors on Main Street.

---

<sup>8</sup> Total taxes levied in 2011 were \$263.7 million; 2012 levy amounted to \$263.5 million; 2013 levy amounted to \$262.2 million; 2014 proposed levy amounts to \$261 million.

## **WE'RE HEMPSTEAD TOWN**

We don't fit the image of a local suburban town. We're America's largest and best township. Born as a bedroom community to the world's capital, we've grown and established our own unique charm, abiding character and proud identity. Our population is greater than four states, as well as the cities of Miami, Denver and Boston.<sup>9</sup>

Our home by the sea is a great place to live, work and play. What's more, our residents are resilient, and we help one another in the face of adversity. In the aftermath of Hurricane Sandy, our Town Board waived building permit fees for those who are repairing or rebuilding their homes. Our government has foregone the receipt of \$913,000 in permit fees for building reconstruction and associated work.<sup>10</sup> We also eliminated the costly and time-consuming requirement for homeowners to secure a building variance to elevate homes to meet FEMA flood height regulations. Holding seminars on storm recovery, extending Building Department hours, distributing food and supplies to storm-impacted residents, providing 15 warming centers for neighbors without heat and rebuilding our coastline to protect neighbors' homes are some of the ways in which Hempstead Town officials have extended a helping hand.

**Repairing Our Coastline**

<sup>9</sup> Total population for the Town of Hempstead is 759,757, U.S. Census Bureau, 2010 Census.

<sup>10</sup> Revenue loss associated with Sandy-related building permit fee waivers, Town of Hempstead Building Department.

On a day-to-day basis, our government is doing government right. An efficient town workforce maintains 1,200 miles of roadway, operates over 200 parks, pools, beaches and marinas, collects garbage from 85,000 homes, provides water to 130,000 customers and furnishes life-enhancing services to over 190,000 senior citizens.

Innovative in its provision of service and conscientious in planning, our township is helping people, caring for the environment and delivering on the promise of the American Dream.

A one-of-a-kind sustainable energy park boasts wind, solar, hydrogen and geothermal power. Indeed, it is home to Long Island's only energy self-reliant government office. As I prepare this message, skilled craftsmen are completing the town's new Malone-Mulhall Recreation Center in Lido Beach, which will serve 1,600 children with special needs. At the same time, a dedicated town staff is operating 16 senior centers, 100 clubs and is overseeing 1,200 town-owned affordable senior citizen apartments. We're revitalizing downtowns and building affordable homes for those who will shop in those business districts. Putting neighbors back to work, a bustling HempsteadWorks career center has placed 8,880 workers in fulfilling jobs over a one-year period.<sup>11</sup>

We are Hempstead Town, and we provide the best value for your property tax dollar anywhere. Our government furnishes the lion's share of local services enjoyed by residents, excepting primary/secondary education and police protection, while comprising nine cents (9¢) of every property tax dollar (less than 1¢ cent of every tax dollar goes toward town services for residents of incorporated villages). The chart on the following page details the allocation of residents' property tax dollar.

## **COST-CONTROLLING MEASURES AND PURSUING MONEY-SAVING GRANTS**

Controlling costs that are within our government's discretion is an important priority as I present this budget proposal. Simultaneously, my administration has pursued state and federal grants for town projects, minimizing the impact of those initiatives on town taxpayers.

Building upon an impressive trend, our team of municipal managers is reducing town debt service costs for the fifth consecutive year. While other governments have borrowed gluttonously, causing both total debt and debt service costs to spiral out of control, our government is a model of fiscal restraint. In fact, Hempstead's annual debt service costs have been reduced almost 15 percent over the 2010 amount. The following chart details this trend:

At the same time, Suffolk County has actually sought state legislation to allow the county to borrow \$150 million to cover its current debt service.<sup>12</sup> By contrast, Wall Street has commented positively on Hempstead Town's debt policies, stating, "Moody's expects the town's low-direct debt burden of 0.3 percent to remain below average given rapid amortization of principal..."<sup>13</sup> Moreover, "larding up" budgets with excessive borrowing merely places financial burdens on the backs of our children. I refuse to do that to the next generation of taxpayers.

Maintaining a lean and efficient work force is an important element of governmental cost control. The town's workforce in 2014 will be trimmed by 2.5 percent over the 2004 number.<sup>14</sup> This workforce efficiency results in an annual savings of \$4.95 million.

New town fueling stations for our municipal fleet of trucks and cars have been installed over the past year with a fuel management system that is providing preventative maintenance data, alerting service personnel to inefficient vehicle operation and facilitating more cost-effective deployment planning for vehicle routes throughout the town. Fuel and associated cost savings are expected to total almost \$1 million by the end of 2014.

"Going green" and "saving green" have gone hand-in-hand in Hempstead Town when it comes to our renewable energy program. In fact, our township proudly unveiled four separate solar energy installations on August 26, 2013. Solar panels at two parks, a senior center and a municipal highway yard, along with soon-to-come solar lighting at town facilities, comprise a half million dollar investment in clean, renewable energy at town facilities. Equally impressive, these projects have been entirely funded through state and federal grants, minimizing the impact on local taxpayers. Our government now boasts 15 solar-powered installations, totaling over 200k of energy. The vast majority of these projects have benefitted from grant funding and/or energy credits.

## **HEMPSTEAD'S BUDGET BY THE NUMBERS – WE'RE CUTTING TAXES**

Tough times call for decisive action. In Hempstead Town's 2014 spending plan, we're extending a helping hand to residents. The town will reduce the property tax burden borne by residents in 2014.<sup>15</sup> The 0.5 percent tax reduction in this proposal constitutes \$1.2 million. In addition to the \$261 million in property taxes to be levied under this budget, non-property tax revenues include \$17.8 million in mortgage recording receipts, \$3.8 million in state per capita aid and \$18.7 million in refuse disposal income.

---

<sup>15</sup> Total town property taxes levied for 2013 amount to \$262.2 million; total town property taxes to be levied for 2014 amount to \$261 million.

At \$431.9 million, the 2014 budget evidences a positive adjustment of \$12.5 million compared to the 2013 figure. Keeping a tight rein on spending, this 2014 financial blueprint constrains discretionary spending to a thrifty 1.7 percent or \$5.3 million.<sup>16</sup> This amount factors out non-discretionary, state-imposed cost increases totaling 7.3 percent in New York State administered pension and health insurance costs.<sup>17</sup> Moreover, my proposal constrains discretionary spending at the rate at which consumer prices have risen for the most recent one year period for which data is available.<sup>18</sup>

## **WEATHERING THE STORM – WE’RE BACK AND BETTER THAN EVER**

Superstorm Sandy may have destroyed homes, damaged businesses and ruined property, but the forces of Mother Nature were no match for the resolve of determined Hempstead residents. The south shore of our town is being revitalized, and our government is proud to be part of the Renaissance.

A month after Hurricane Sandy, I was happy to attend the grand opening of an anchor store in a new Island Park shopping center. The King Kullen opening in one of the south shore’s hardest hit municipalities was symbolic of the storm-battered community’s resiliency. While some storm-damaged businesses will never return, scores have re-opened and new businesses have greeted recovering neighbors.

At the same time, Hempstead Town has worked hard to help businesses recover from the storm’s damaging tides and winds. In fact, our government launched a television, Internet and direct mail campaign on May 30, 2013 in Freeport to let neighbors know that their favorite shore-front businesses were back and needed their patronage to recover financially. The initiative

---

<sup>16</sup> Total town discretionary expenditures for 2013 amount to \$321.2 million; total town discretionary expenditures for 2014 amount to \$326.5 million.

<sup>17</sup> Total non-discretionary, state-administered pension and health insurance expenditures for 2013 amount to \$98.2 million; total non-discretionary, state-administered pension and health insurance expenditures for 2014 amount to \$105.4 million.

<sup>18</sup> According to the U. S. Department of Labor’s Bureau of Labor Statistics, the Consumer Price Index for Urban Consumers in the New York-Northern New Jersey, Long Island, NY-NJ-CT-PA areas rose from 230.88 to 233.88 August 2012 through August 2013 (inclusive).

***Hempstead Town launched a television, Internet and direct mail campaign to let neighbors know that Sandy-slammed businesses were back and needed their patronage.***

let businesses post information online at no cost, and neighbors could check on their status.

Further, our government is investing in the south shore with a job-boosting \$50 million capital improvement program. Weeks ago, Senior Councilman

Anthony Santino and I joined with the Oceanside United Soccer Club to unveil the town's new \$1 million "turf" field in Oceanside Park. League President, Mike Meagher, called the new field part of the area's rebirth. Recently, I visited the soon-to-be unveiled Malone-Mulhall Recreation Center at Camp ANCHOR in Lido Beach. The \$6 million facility will serve children and adults with special needs. The project is adding new luster to our storm-battered barrier island. Town workers labored feverishly to complete the refurbishment of the storm-damaged Merrick and Oceanside Senior Centers this year, welcoming homesick friends back to their beloved gathering places.

***Hempstead Town recently unveiled a new \$1 million "turf" soccer field in Oceanside, which has been called part of the community's rebirth after Hurricane Sandy.***

Government artisans are re-crafting our township's totally energy self-reliant government office in Point Lookout. Finally, in a patriotic salute to our south shore's ability to rebound from adversity, our government held an Independence Day

Affordable Homes Lottery, awarding five lucky winners the chance to purchase beautiful new Inwood homes at the price point of \$172,000.

We're proud to be partnering with Sandy-impacted neighbors as our south shore communities let the world know that we're back and better than ever.

## **WE'RE EXTENDING A HELPING HAND – REDUCING TAXES, AGAIN!**

During tough economic times and in the wake of a devastating natural disaster, neighbors across our region need assistance. Hard-working families have always been there to help those in need, and now they are suffering. Government has a responsibility in times like these to extend a helping hand.

Because our government is well managed, my administration is able to present a helping hand in the form of a budget that reduces town taxes. What's more, this is the third consecutive tax-cut budget to be produced for those who call America's largest township home.

Financially sound and sensitive to the needs of our residents, this budget has earned the respect of Wall Street credit rating agencies, and justifies the trust of neighbors on Main Street.

## THE TOWN

### General Information:

The Town of Hempstead encompasses an area of 142.6 square miles within the County of Nassau on the south shore of Long Island. It is bounded by the City of New York to the west, the Town of North Hempstead to the north, the Town of Oyster Bay to the east, and the City of Long Beach and the Atlantic Ocean to the south. The Town is the most populous town in the State, with a population of 755,924 according to 2000 census data. The Town accounts for approximately 57% of the total population of the County and 41% of the land area of the County. Located within the Town are 22 incorporated villages, and 50 unincorporated areas.

### Form of Government:

The Town of Hempstead was established in 1644 as a separate political entity vested with independent taxing and debt authority. The 22 incorporated villages located within the Town have independent forms of government, while the taxable real property within these villages is subject to taxation by the Town. There are also 36 independent school districts within the Town which rely on their taxing powers granted by the State to raise revenues for school district purposes.

Subject to the provisions of the State Constitution, the Town operates pursuant to Town law, Local Finance law, other laws generally applicable to the Town, and any special laws applicable to the Town. Under such laws, there is no authority for the Town to have a charter, but pursuant to the Constitution, and the Town Law and other laws generally applicable to home rule, the Town may from time to time adopt local laws. Since January 1, 1966, the Town has enjoyed the status of a suburban town under applicable provisions of Town Law, enabling it to function with a degree of autonomy not accorded to "first-class" towns.

The legislative power of the Town is vested in the Town Board. It consists of a Supervisor elected for a two-year term and six Council Members elected for four-year terms. There is no limitation as to the number of terms which may be served by Board Members. The Supervisor is the chief executive officer and chief fiscal officer of the Town.

The Town Clerk serves as custodian of the Town's legal documents and papers, maintains the minutes of proceedings of the Town Board and is responsible for the publication and filing of all official notices. According to Town Law, the Clerk is elected to serve a two-year term; the number of terms is not limited. The Receiver of Taxes, unless otherwise provided by law, has the duty to receive and collect all County, Town and school taxes and all assessments that may be levied in the Town. A four-year elected term is prescribed by law. The Town Board appoints the Town Comptroller, the Town Attorney, the Town Highway Commissioner and the heads of the various Town departments.

### Services:

The Town is responsible for providing many governmental services to its residents.

Recreation is provided by 190 public parks and recreational facilities maintained by the Town. The Town maintains inland waterways and marinas, is responsible for the preservation of 17,000 acres of Atlantic Ocean wetlands, and operates 16 senior citizen centers and 136 clubs.

Additional Town functions include highway construction and maintenance, building inspection, zoning administration, and the maintenance and operation of a Town Cemetery.

Special districts within the Town provide services for street lighting, fire protection, parks, refuse disposal, garbage collection, public parking, water distribution and library funding.

A brief departmental description of functional services is provided on the following pages.

### Financial Operations:

The Supervisor functions as the chief financial officer. In this role, the Supervisor is responsible for the Town's accounting and financial reporting activities.

The Town Board, as a whole, serves as the finance board of the Town and is responsible for authorizing, by resolution, all material financial transactions such as operating budgets, capital projects and bonded debt.

The Supervisor is the Town's budget officer and is required by law to file a tentative budget with the Town Clerk on or before September 30 of each year. The tentative budget is submitted to the Town Board not later than October 5. Following review and modification, a preliminary budget hearing is held. At this hearing, members of the public may express opinions which the Town Board may take under advisement. Approval of the budget is not subject to a vote of the electorate and the Town Board may make changes following the hearing process. The Town Board is required to adopt the final annual budget by November 20. A copy of the Town's annual budget shall be submitted to the County Legislature. The County shall levy and cause to be raised the amount of taxes and assessments specified in the budget. From time to time, the Town Board may make changes or modifications in the amount of annual appropriations subject to legal provisions.

FUNCTION: COMMUNITY SERVICES

DEPARTMENT: BOARD OF APPEALS/PLANNING BOARD

RESPONSIBILITY AND ACTIVITY:

The Board of appeals was established in the Town of Hempstead in 1930. It is a quasi-judicial body that consists of seven board members each appointed by the Town Board.

It is the legal function and duty of the Board of Appeals to hold official public hearings and render formal written decisions on cases presented before the Board. Persons, whose building permit application has been denied by the Building Department or by persons who contest the issuance of a building permit, bring these cases. The Board was established primarily to review actions taken by the Department of Buildings in relation to the Building Zone Ordinance. The Board has jurisdiction to grant relief when at least a majority of its members, or in the case of disapproval recommendation by the Nassau County Planning Commission, a majority plus one, after considering all evidence presented and after due deliberation, finds that the imposition of a particular Zoning Ordinance requirement would legally justify such relief under the law then prevailing.

In addition to hearing cases seeking variances and special exemptions to the Building Zone Ordinance, the Board has the power to permit certain dwellings to be occupied as "mother-daughter" residences.

All hearings are handled professionally and all interested parties are offered an opportunity to be heard. The Board causes notices to be published advising of its meetings and of all cases appearing on its calendar prior to each hearing date. Additionally, all neighbors who own any real property within one hundred feet of premises, which are the subject of a hearing, are mailed an official notice similarly advising them of the pending case(s).
